About Bri-Chem

Since our formation in 1985, Bri-Chem has established two primary segments of business through a combination of internal growth and acquisitions: Bri-Chem's Drilling Fluid Division is North America's largest independent wholesale supplier of drilling fluids for the oil and gas industry. We provide over 100 drilling fluid products, cementing, acidizing and stimulation additives from 30 strategically located warehouses throughout Canada and the United States; Bri-Chem's Steel Pipe Division is the first company to introduce and construct a Thermal Pipe Expansion (TPE) facility in North America for manufacturing, testing and supply of large diameter seamless steel pipe for the energy industry. Additional information about Bri-Chem is available at www.sedar.com or at Bri-Chem's website at www.brichem.com.
