About Bri-Chem

Since our formation in 1985, Bri-Chem has established two primary segments of business through a combination of internal growth and acquisitions: Bri-Chem's Drilling Fluid Division is North America's largest independent wholesale supplier of drilling fluids for the oil and gas industry. We distribute a full range of drilling fluid products, cementing, acidizing and stimulation additives from 33 strategically located warehouses throughout Canada and the United States; Bri-Chem's Steel Pipe Division is the first company to introduce and construct a Thermal Pipe Expansion (TPE) facility in North America for manufacturing, testing and supply of large diameter seamless steel pipe for the energy industry. Additional information about Bri-Chem is available at www.sedar.com or at Bri-Chem's website at www.brichem.com.
