About Bri-Chem

Bri-Chem has established itself, through a combination of strategic acquisitions and organic growth, as the North American industry leader for the distribution and blending of oilfield drilling, completion, stimulation and production chemical fluids. We sell, blend, package and distribute a full range of drilling fluid products, cementing, acidizing and stimulation additives from 34 strategically located warehouses throughout Canada and the United States. Bri-Chem has been operating in Canada since 1985 and as a result of the increasing market demand for oilfield chemicals, we expanded into the United States in 2011 and have successfully obtained significant market penetration. Additional information about Bri-Chem is available at www.sedar.com or at our website at www.brichem.com.
