### About Bri-Chem

Bri-Chem has established itself, through a combination of strategic acquisitions and organic growth, as the North American industry leader for the distribution and blending of oilfield drilling, completion, stimulation and production chemical fluids. We sell, blend, package and distribute a full range of drilling fluid products, cementing, acidizing and stimulation additives from 31 strategically located warehouses throughout Canada and the United States. We have been operating in Canada since 1985 and expanded into the United States in 2011 and as a result of the increasing market demand for oilfield chemicals we have experienced significant market penetration within the North American oil and gas industry.
